Superintendent - Elmer J. Moore

To the students and the teachers of Shamrock Public Schools:

As you finish another school year, I think that you may be very proud of your achievements. The school spirit has been excellent and, in the main, the year has been characterized with hard work and cooperation.

To the members of the Annual Staff, congratulations on another fine year book. I believe that it will be appreciated more each year and that this book will be a constant reminder of the many happy and profitable days that you have spent in the Shamrock Schools.

I sincerely hope that all of you will continue to be successful and that you will lead the abundant life.

Very truly yours,

Elmer J. Moore
